# MS 1400

## Single Miter Saw

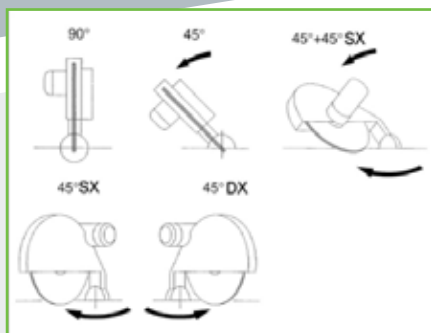

# Single Miter Saw

- Single-head air-over-oil miter saw with descending blade
- Cutting head swivelling up to 45 degrees (towards right and left)
- Manual tilting (towards left) up to 45 degrees according to the vertical axis
- Equipped with pneumatic clamps

- 400 mm (15.75") carbide saw blade
- 90 mm (3.54") dust collection hookups
- 2 x vertical and 2 x horizontal pneumatic clamps
- 45-90-45 head swivel
- 90-45 head tilt for compound cutting
- Air gun with hose
- User's & maintenance manual and spare parts catalogue
- Service keys

## Technical Specifications MS 1400

|                                       | IMPERIAL              | METRIC                       |
|---------------------------------------|-----------------------|------------------------------|
| <b>Main Power Voltage</b>             | 220 VAC               | 220 VAC                      |
| <b>Current @ 220V</b>                 | 9 A                   | 9 A                          |
| <b>Motors</b>                         | 2.95 HP               | 2.20 kW                      |
| <b>Air Pressure</b>                   | 95 psi                | 6.5 bar                      |
| <b>Machine Weight</b>                 | 430 lbs.              | 195 kg                       |
| <b>Machine Dimensions (L x W x H)</b> | 41.3" x 33.5" x 66.9" | 1,050 mm x 850 mm x 1,700 mm |
